

# STEPHEN ROEBUCK

51 Ecclesfield Drive, Toronto, Ontario | shroebuck@gmail.com |  
Mobile: (416) 356-1929

**OBJECTIVE** | As an adaptive, analytical problem solver, I am able to jump into any situation and find success. Through both my confidence and easy-going attitude I bring people together, and create a successful, fun atmosphere for everyone to thrive in.

## **SKILLS & ABILITIES** | **Fast Learner**

- Able to pick up and learn new things quickly and put them into action right away
- Able to develop the skills necessary to jump straight into a fast paced environment

### **Technically Inclined**

- Proficient with the Microsoft Office Suite, Google Chrome, and various applications for the Windows 7, 8 and 10 workspaces.
- Can work with desktop environment as well as tablets and phones
- Extensive knowledge of html and C# languages, some knowledge of JavaScript and Java
- Proficient with Unity, and other development suites.

### **Adaptable**

- Able to stay organized and prioritize key demands
- Able to work well under pressure, with short deadlines.
- Can work with very little information to produce results.

### **Communications**

- I excel within a team atmosphere as I enjoy bouncing my ideas and theories off of others.
- I am vocal with my ideas and theories on how to improve myself and the company.

## **EXPERIENCE** | **SPECIALIST STERICYCLE COMMUNICATIONS**

OCTOBER 2014 – SEPTEMBER 2015

Tackled a variety of jobs within a fast paced call center workplace from placing orders for lotteries, to troubleshooting various technical issues with a website.

Important in maintaining positive customer relations.

## **EDUCATION** | **TRIOS COLLEGE, TORONTO, ONTARIO**
